The Dolly's Difference: OUR MISSION

is to provide our clients with **caring, reliable and safe**

non-emergency medical transportation for any age and level of care. We assist all clients from the time of pick-up to drop-off to make sure that they arrive to their destination safely and on time.

We are proud of the impeccable reputation that we have developed over the years by accommodating the special needs of our clients and striving to ensure complete satisfaction. We handle each client as if they were our own family.

Our vehicles and drivers are fully **licensed and insured.**
Our services are available **24 hours a day 7 days a week.**

With a fleet of 30+ vehicles, we promise to have great availability.

In a continued effort to maintain excellence, professionalism, and unrivaled patient care all of our drivers are required to have the following :

- Background check
 - MVR Check
- Drug Screening
- Defensive driving
- Passenger assistance
 - First Aid/CPR
 - HIPPA training

Our vehicles are under direct supervision by two full time mechanics and are inspected daily for safety and sanitation. All vehicles are tracked by on-board GPS.
